

Dear Green Families:

July 31, 2020

On Monday, July 27, the Green Local Schools Board of Education approved the district's return to school plan for the 2020-2021 school year and approved a new start date for students of August 26, 2020. The plan offers two options for families to consider:

(1) **[In-Person Learning](#)** Students return to school in person, 5 days per week with layers of safety precautions for staff and students including face coverings, social distancing, cohorting, frequent handwashing, and enhanced cleaning protocols [[Register for In-Person Learning](#) by 4:00 p.m on August 3.]

(2) **[Bulldog Digital Academy](#)** Live, daily online instruction provided by Green Local Schools teachers including rigorous expectations aligned with Ohio's Learning Standards and in-person learning. [[Register for Bulldog Digital Academy](#) by 4:00 p.m. on August 3.]

We recognize that families have many questions and we are answering those questions on our [family resource site](#). We encourage families to continue to submit questions. The answers to some of your questions, however, depend on registration numbers for in-person school and for the Bulldog Digital Academy. We respectfully request that families choose a return-to-school option by the close of the workday on Monday, August 3. To request a conversation specific to your child's needs, please email your child's principal and include your contact information for a personalized response.
