Fall, 2011

Dear Friend of Green Schools,

The Green Schools Foundation (GSF) is a dedicated group of parents, alumni of Green, professional educators, municipal leaders and local business people who help to enrich the lives of students in the Green Local School District. The **annual membership drive** for the Green Schools Foundation begins September 1, 2011 and we invite you to support this active organization by becoming a member.

What is the mission of the Green Schools Foundation?

- The Foundation is a 501(c)3 non-profit organization that is dedicated to furthering academic excellence in the Green Schools.
- GSF provides scholarships to Green High School seniors. This past May eighteen 2011 GHS graduates were awarded scholarships: 1 Gold \$2,000 Scholarship, 4 Silver \$1,000 Scholarships and 13 Bronze \$500 Scholarships
- Academic Classroom Grants are awarded to classrooms whose teachers have applied for a GSF grant and have shown a need for additional classroom funding. These grants benefit **all** students throughout **all** grade levels. Over the years, these grants have provided classrooms with extra materials that are not normally provided for by tax dollars. This past school year, GSF awarded eighteen grants totaling \$9,450.

Benefits of Membership in the Green Schools Foundation

- All members will receive a quarterly newsletter, a GSF window decal, and your name listed on our web site.
- The valedictorian level of membership will also receive a GSF polo shirt.
- Most importantly, you will have the satisfaction of knowing that you have helped enrich the academic lives of students in our Green Schools.
